

SCDA CHILD PROTECTION AGREEMENT FOR CLUBS

CLUB DECLARATION:

This checklist forms an **agreement** between your drama club, its leaders and helpers, and SCDA.

The Chair, or other office bearer should read carefully and tick each statement to confirm that your club understands and accepts each condition below:	√
We have a copy of the SCDA Child Protection Policy and understand its contents.	
We will follow the SCDA Child Protection Policy and related Procedures for the duration of the Festival. We understand that this also includes time spent in hostel or other residential accommodation as part of our visit to the Festival.	
We will make sure that all our parents and adult volunteer understand that they must follow SCDA Child Protection procedures.	
We have carried out a Risk Assessment for our participation in the event, and have taken action to minimise all risks.	
We have identified adults who will be in a child care role, and have given their names to Festival organisers. These are our "Authorised Adults".	
We agree to follow the instructions of SCDA Festival organisers at all times.	
We agree that any inappropriate conduct will be reported immediately.	
SCDA may take photographs during the Festival for publicity and marketing purposes. Our club will identify any young person under 18 who does not consent to their photo being used for this purpose, so that they can be removed from any photo taken.	
Each participant and helper has a copy of this contract and has agreed to abide by it.	

I confirm that I am authorised to sign agreements on behalf of my Drama Group, and will ensure that these conditions are adhered throughout the period in which children and young people are in our care.
